Hi Samantha,

Ex. 5 Deliberative Process (DP)

Hope I haven't overlooked anything. If you need to clarify anything, I'll be around the rest of the afternoon (except for an errand for ~ an hour) <Ex. 6 Personal Privacy (PP)> or by

email.

Subject: Benzo[a]pyrene: SAB Quality Review Teleconference on the Draft CAAC Peer Review Report on BaP (January 26, 2016 from 2-4pm)

Hi all,

Just wanted to let you know that the SAB will be hosting a teleconference on January 26th from 2:00-4:00pm. The teleconference is for the chair of the BaP Peer Review Committee (Elaine Faustman) to present the draft peer review report to the Chartered SAB and for the members of the Chartered SAB to discuss their quality review comments on the draft peer review report.

The SAB staff let us know yesterday that we would have an opportunity to make clarifying remarks. It was our understanding that with these final teleconferences of the chartered SAB, we don't speak unless there is a specific question addressed to us. So, if you have looked at the draft report (attached) and have any clarifying comments, please let me know as soon as possible. We'll need to alert the SAB staff by January 19th if we intend to make any clarifying remarks.

If you are interested in the SAB CAAC activities related to BaP, please see the following: <http://yosemite.epa.gov/sab/SABPRODUCT.NSF/b5d8a1ce9b07293485257375007012b7/4dcfd0e5f45a8cad85257b65005b17c8!OpenDocument&TableRow=2.2#2>.

Thanks,
Samantha
